

## OVERVIEW

This job aid details how to run a financial management report from the Financial Reporting Center. Ensure you are using Firefox as your browser and you have completed all of the desktop configurations for reports.

## NAVIGATION

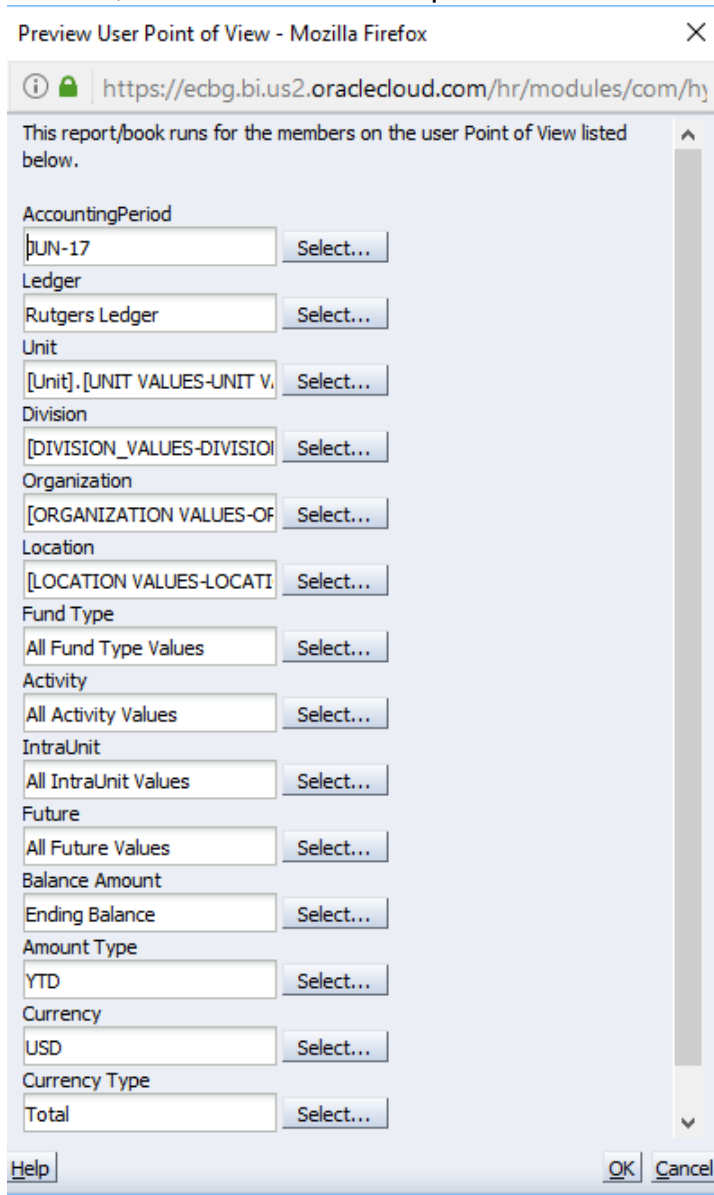

1. Go to my.rutgers.edu and login to the Financial Management System. Select the **Financial Reporting Center**.

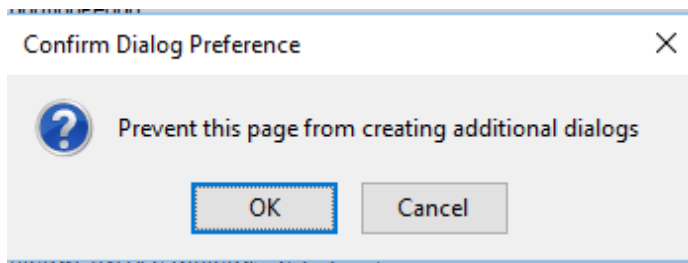

2. In the Search field type **RU GL** and select the **little magnifying glass**. This will display all the custom Rutgers reports. Select the report you want to run. **Tip:** Click the star symbol next to the reports to make them your favorite.

3. Select the **dimensions (parameters)** for the report by clicking the **Select** button. Each parameter must be filled in to get report results. Once all parameters are entered, click **OK** to run the report.

Sometimes when you are selecting parameters you might get this pop up message. Just click **Cancel** to continue selecting your parameters.

## PARAMETER SELECTION

## PARAMETER SELECTION FOR MONTH/YTD/FULL YEAR P&L REPORT

When you run a Month/YTD/Full Year P&L report the parameter selection is the same as what is listed above with two exceptions. First an additional pop up screen will appear in which you must **enter the first period of a fiscal year**, as an example JUL-ADJ-18 and then click OK.

The following prompt has been defined in the report. You may use the default values shown, or select other members.

Respond to Prompts at Report Level ▾

Prompt	Selection	Type	Source
Starting Period:	JUL-ADJ-18	Report	Report: RU GL 023 Management P&L with MTD YTD & Full Year with Individual Months Grid: All

Help

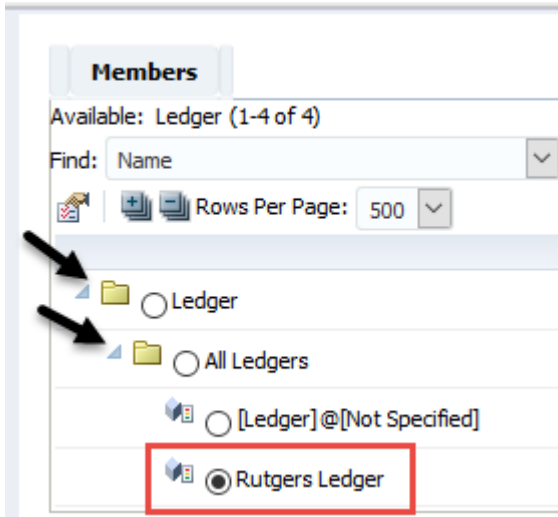

OK Cancel Reset

Second, the **Balance Amount** parameter is set to **Period Activity** and the **Amount Type** parameter is **YTD**.

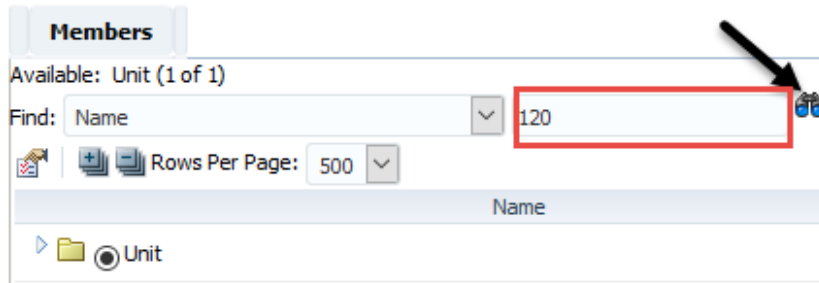

## SEARCH FOR PARAMETERS

After you click the select button next to a parameter, there are two ways to search for report parameters.

The first way is to use the folders. As an example, the parameter for Ledger, click on the triangle in front of the folders to expand it and select Rutgers Ledger as the parameter.

The second way is to use the search field. Delete the asterisk (wild card) in the search field, enter your value and click on the binoculars.

Highlight the radio button for the **Unit Values Current**.

## REPORT TIPS

1. When navigating between screens in the Financial Management system never use the browser back or forward arrows. Use buttons such as **Done** or **Cancel** in the system.
2. After running a report, for easier viewing, choose **Detach** (where available)

to display the information in a separate window.

3. Any text or numbers that are in blue [-9,467.00](#) [-23,555.55](#) denote hyperlinks to view additional information.
4. When searching for data be aware of the following:
  - Asterisked fields are required
  - Some searches are case sensitive while others are not
  - Some searches require a wild card (\*) while others do not

5. Export to excel is available for Search results.
6. FACES error occurs when your requested search for reporting information returns an excessive amount of data. To fix this issue, close out of the Financial Management System completely, log in again and refine your report search parameters
